PLEA AGREEMENT

Neil H. MacBride, United States Attorney for the Eastern District of Virginia, Paul J. Nathanson, Assistant United States Attorney, the defendant, Pervaiz Arshad, and the defendant’s counsel have entered into an agreement pursuant to Rule 11 of the Federal Rules of Criminal Procedure. The terms of the agreement are as follows:

**1. Offense and Maximum Penalties**

The defendant agrees to plead guilty to Count 1 of the indictment charging the defendant with conspiracy to commit mail fraud and wire fraud, in violation of Title 18, United States Code, Section 1349, and to Count 10 of the indictment charging the defendant with forgery or false use of a passport, in violation of Title 18, United States Code, Sections 1543 and 2. The maximum penalties for the conspiracy charge are a term of 20 years of imprisonment, a fine of the higher of \$250,000 or twice the gross gain or loss, full restitution, a special assessment, and 3 years of supervised release. The maximum penalties for the passport charge are a term of 10 years of imprisonment, a fine of the higher of \$250,000 or twice the gross gain or loss, full restitution, a special assessment, and 3 years of supervised release. The defendant understands that this supervised release term is in addition to any prison term the defendant may receive, and

that a violation of a term of supervised release could result in the defendant being returned to prison for the full term of supervised release.

**2. Factual Basis for the Plea**

The defendant will plead guilty because the defendant is in fact guilty of the charged offense. The defendant admits the facts set forth in the statement of facts filed with this plea agreement and agrees that those facts establish guilt of the offense charged beyond a reasonable doubt. The statement of facts, which is hereby incorporated into this plea agreement, constitutes a stipulation of facts for purposes of Section 1B1.2(a) of the Sentencing Guidelines.

**3. Assistance and Advice of Counsel**

The defendant is satisfied that the defendant's attorney has rendered effective assistance. The defendant understands that by entering into this agreement, defendant surrenders certain rights as provided in this agreement. The defendant understands that the rights of criminal defendants include the following:

- a. the right to plead not guilty and to persist in that plea;
- b. the right to a jury trial;
- c. the right to be represented by counsel – and if necessary have the court appoint counsel – at trial and at every other stage of the proceedings; and
- d. the right at trial to confront and cross-examine adverse witnesses, to be protected from compelled self-incrimination, to testify and present evidence, and to compel the attendance of witnesses.

**4. Role of the Court and the Probation Office**

The defendant understands that the Court has jurisdiction and authority to impose any sentence within the statutory maximum described above but that the Court will determine the

defendant's actual sentence in accordance with Title 18, United States Code, Section 3553(a). The defendant understands that the Court has not yet determined a sentence and that any estimate of the advisory sentencing range under the U.S. Sentencing Commission's Sentencing Guidelines Manual the defendant may have received from the defendant's counsel, the United States, or the Probation Office, is a prediction, not a promise, and is not binding on the United States, the Probation Office, or the Court. Additionally, pursuant to the Supreme Court's decision in *United States v. Booker*, 543 U.S. 220, 125 S. Ct. 738 (2005), the Court, after considering the factors set forth in Title 18, United States Code, Section 3553(a), may impose a sentence above or below the advisory sentencing range, subject only to review by higher courts for reasonableness. The United States makes no promise or representation concerning what sentence the defendant will receive, and the defendant cannot withdraw a guilty plea based upon the actual sentence.

**5. Sentencing Recommendation**

In accordance with Rule 11(c)(1)(B) of the Federal Rules of Criminal Procedure, the United States and the defendant will recommend to the Court that the following provisions of the Sentencing Guidelines apply:

Count 1 – Conspiracy:

- a. The base offense level is 7 pursuant to Section 2B1.1(a)(1);
- b. The loss attributable to the defendant's conduct is more than \$1,000,000, but not more than \$2,500,000, resulting in an increase of 16 levels pursuant to Section 2B1.1(b)(1)(I); and,

- c. The defendant was an organizer, leader, manager, or supervisor of the criminal activity, resulting in an increase of 2 levels pursuant to Section 3B1.1(c).

Count 10 – Passport Fraud:

- a. The base offense level is 11 pursuant to Section 2L2.1(a).

The United States and the defendant further agree that the defendant has assisted the government in the investigation and prosecution of the defendant's own misconduct by timely notifying authorities of the defendant's intention to enter a plea of guilty, thereby permitting the government to avoid preparing for trial and permitting the government and the Court to allocate their resources efficiently. If the defendant qualifies for a two-level decrease in offense level pursuant to U.S.S.G. § 3E1.1(a) and the offense level prior to the operation of that section is a level 16 or greater, the government agrees to file, pursuant to U.S.S.G. § 3E1.1(b), a motion prior to, or at the time of, sentencing for an additional one-level decrease in the defendant's offense level.

No agreement regarding the applicability of any other Sentencing Guidelines provisions has been reached, and the parties reserve the right to argue for or against the applicability of any other Guidelines provisions at sentencing.

**6. Waiver of Appeal, FOIA and Privacy Act Rights**

The defendant also understands that Title 18, United States Code, Section 3742 affords a defendant the right to appeal the sentence imposed. Nonetheless, the defendant knowingly waives the right to appeal the conviction and any sentence within the statutory maximum described above (or the manner in which that sentence was determined) on the grounds set forth in Title 18, United States Code, Section 3742 or on any ground whatsoever, in exchange for the

concessions made by the United States in this plea agreement. This agreement does not affect the rights or obligations of the United States as set forth in Title 18, United States Code, Section 3742(b). The defendant also hereby waives all rights, whether asserted directly or by a representative, to request or receive from any department or agency of the United States any records pertaining to the investigation or prosecution of this case, including without limitation any records that may be sought under the Freedom of Information Act, Title 5, United States Code, Section 552, or the Privacy Act, Title 5, United States Code, Section 552a.

**7. Special Assessment**

Before sentencing in this case, the defendant agrees to pay a mandatory special assessment of one hundred dollars (\$100.00) per count of conviction.

**8. Payment of Monetary Penalties**

The defendant understands and agrees that, pursuant to Title 18, United States Code, Section 3613, whatever monetary penalties are imposed by the Court will be due immediately and subject to immediate enforcement by the United States as provided for in Section 3613. Furthermore, within 14 days of a request, the defendant agrees to provide all of the defendant's financial information to the United States and the Probation Office and, if requested, to participate in a pre-sentencing debtor's examination and/or complete a financial statement under penalty of perjury. If the Court imposes a schedule of payments, the defendant understands that the schedule of payments is merely a minimum schedule of payments and not the only method, nor a limitation on the methods, available to the United States to enforce the judgment. If the defendant is incarcerated, the defendant agrees to voluntarily participate in the Bureau of Prisons' Inmate Financial Responsibility Program, regardless of whether the Court specifically directs participation or imposes a schedule of payments.

**9. Restitution**

Defendant agrees that restitution is mandatory pursuant to 18 U.S.C. § 3663A.

Defendant agrees to the entry of a Restitution Order for the full amount of the victims' losses. Pursuant 18 U.S.C. § 3663A(c)(2), the defendant agrees that an offense listed in § 3663A(c)(1) gave rise to this plea agreement and as such, victims of the conduct described in the charging instrument, statement of facts or any related or similar conduct shall be entitled to restitution. Without limiting the amount of restitution that the Court must impose, the Government is currently aware of the victims' losses as set forth in the statement of facts filed with this plea agreement.

The parties acknowledge that determination of the identities, addresses, and loss amounts for all victims in this matter is a complicated and time consuming process. To that end, defendant agrees, pursuant to 18 U.S.C. § 3664(d)(5), that the Court may defer the imposition of restitution until after the sentencing; however, defendant specifically waives the 90 day provision found at 18 U.S.C. § 3664(d)(5) and consents to the entry of any orders pertaining to restitution after sentencing without limitation.

**10. Immunity from Further Prosecution in this District**

The United States will not further criminally prosecute the defendant in the Eastern District of Virginia for the specific conduct described in the indictment or statement of facts.

**11. Dismissal of Other Counts**

As a condition of the execution of this agreement and the Court's acceptance of the defendant's plea of guilty, the United States will move to dismiss the remaining counts of the indictment against this defendant.

**12. Forfeiture Agreement**

The defendant understands that the forfeiture of assets is part of the sentence that must be imposed in this case. The defendant agrees to forfeit all interests in any fraud related assets that the defendant owns or over which the defendant exercises control, directly or indirectly, as well as any property that is traceable to, derived from, fungible with, or a substitute for property that constitutes the proceeds of his offense, and his interests in any property used to facilitate or intended to be used to facilitate the commission of the passport offense, including but not limited to the following:

- a. Personal money judgment in the amount of \$61,305.00 in United States currency constituting proceeds of the conspiracy to commit mail fraud and wire fraud; and,
- b. \$26,000.00 in United States currency seized from the defendant on or about August 10, 2007, and in the possession of the U.S. Marshals Service, constituting property intended to be used to facilitate the commission of the passport offense.

The defendant further agrees to waive all interest in the assets in any administrative or judicial forfeiture proceeding, whether criminal or civil, state or federal. The defendant agrees to consent to the entry of orders of forfeiture for such property and waives the requirements of Federal Rules of Criminal Procedure 32.2 and 43(a) regarding notice of the forfeiture in the charging instrument, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment. Defendant admits and agrees that the conduct described in the charging instrument and Statement of Facts provides a sufficient factual and statutory basis for the forfeiture of the property sought by the government.

The United States Attorney's Office agrees to recommend to the Asset Forfeiture and Money Laundering Section, United States Department of Justice, that any forfeited property be used to pay the defendant's court-ordered restitution.

**13. Waiver of Further Review of Forfeiture**

The defendant further agrees to waive all constitutional and statutory challenges to forfeiture in any manner (including direct appeal, habeas corpus, or any other means) to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including that the forfeiture constitutes an excessive fine or punishment. The defendant also waives any failure by the Court to advise the defendant of any applicable forfeiture at the time the guilty plea is accepted as required by Rule 11(b)(1)(J). The defendant agrees to take all steps as requested by the United States to pass clear title to forfeitable assets to the United States, and to testify truthfully in any judicial forfeiture proceeding. The defendant understands and agrees that all property covered by this agreement is subject to forfeiture as proceeds of illegal conduct, property facilitating illegal conduct, and substitute assets for property otherwise subject to forfeiture.

**14. The Defendant's Obligations Regarding Assets Subject to Forfeiture**

Upon request by the government, the defendant agrees to identify all assets in which the defendant had any interest or over which the defendant exercises or exercised control, directly or indirectly, within the past five years. The defendant agrees to take all steps as requested by the United States to obtain from any other parties by any lawful means any records of assets owned at any time by the defendant. The defendant agrees to undergo any polygraph examination the United States may choose to administer concerning such assets and to provide and/or consent to the release of the defendant's tax returns for the previous five years.

**15. Breach of the Plea Agreement and Remedies**

This agreement is effective when signed by the defendant, the defendant's attorney, and an attorney for the United States. The defendant agrees to entry of this plea agreement at the date and time scheduled with the Court by the United States (in consultation with the defendant's attorney). If the defendant withdraws from this agreement, or commits or attempts to commit any additional federal, state or local crimes, or intentionally gives materially false, incomplete, or misleading testimony or information, or otherwise violates any provision of this agreement, then:

- a. The United States will be released from its obligations under this agreement, including any obligation to seek a downward departure or a reduction in sentence. The defendant, however, may not withdraw the guilty plea entered pursuant to this agreement;
- b. The defendant will be subject to prosecution for any federal criminal violation, including, but not limited to, perjury and obstruction of justice, that is not time-barred by the applicable statute of limitations on the date this agreement is signed. Notwithstanding the subsequent expiration of the statute of limitations, in any such prosecution, the defendant agrees to waive any statute-of-limitations defense; and
- c. Any prosecution, including the prosecution that is the subject of this agreement, may be premised upon any information provided, or statements made, by the defendant, and all such information, statements, and leads derived therefrom may be used against the defendant. The defendant waives any right to claim that statements made before or after the date of this agreement, including the statement of facts accompanying

this agreement or adopted by the defendant and any other statements made pursuant to this or any other agreement with the United States, should be excluded or suppressed under Fed. R. Evid. 410, Fed. R. Crim. P. 11(f), the Sentencing Guidelines or any other provision of the Constitution or federal law.

Any alleged breach of this agreement by either party shall be determined by the Court in an appropriate proceeding at which the defendant's disclosures and documentary evidence shall be admissible and at which the moving party shall be required to establish a breach of the plea agreement by a preponderance of the evidence.

**16. Nature of the Agreement and Modifications**

This written agreement constitutes the complete plea agreement between the United States, the defendant, and the defendant's counsel. The defendant and his attorney acknowledge that no threats, promises, or representations have been made, nor agreements reached, other than those set forth in writing in this plea agreement, to cause the defendant to plead guilty. Any modification of this plea agreement shall be valid only as set forth in writing in a supplemental or revised plea agreement signed by all parties.
